Take is Cheap -Aud so are the clothing, boots, shoes, and gentlemen's and boys' fine furnishing goods, if you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind I do not boast when I say that I'defy competition in prices in anything in my line. Be tion as Deputy Sheriff to Sheriff sides this I have only one price. I have no preferred quelomers. Everybody is treated alike at my establish. ment. My stock is the largest and most complete ever offered in any part of this State. Everything I have is new. No old, musty and outof date goods can be, found on my shelves. I receive daily by rull and express the latest and best goods. which are obtained at first hand and sold at prices below those now provailing in New York and Chicago, Let the people come and judge of my prices and examine my stock be fore going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No store keeper sells goods for the fun of the thing 1 make a profit on everything I sell, as every honest merchant does, and don't print foolish fulsehoods in the vain hope of deceiving the public One must make a profit to live particularly call attention to my full stock of fancy underwear such as is kept nowhere élse m Reno.
